

PEDRO TORRES LEÓN

DIRECTOR OF PHOTOGRAPHY

Personal Summary

PEDRO TORRES LEÓN is a Director of Photography from Durango, Mexico currently living in Helsinki. He has experience working in different productions in various countries such as the United States, Mexico and Finland. His story oriented approach to lighting and composition allows him to sculpt textured and atmospheric frames. He values a wide view on art, literature and history, as well as keeping an open mind, which allow him to create purposeful cinematographic compositions and sequences of light and shadow.
